5. POLICE CHIEF'S COMMENDATIONS FOR THE WEEK

**SERGEANT MIKLE BROWN
SERGEANT CHARLES WHITE
POLICE OFFICER JOHN BOYLE
District Five**

Please accept this official commendation and my personal appreciation for your involvement in the arrest of Mr. Edward Barfield on March 16, 2012. Using a firearm in the commission of the offense, Mr. Barfield robbed the Shell Gas Station located at 2974 Colerain Avenue. While fleeing from the offense, Mr. Barfield discharged a round from his handgun. Sergeant Mikle Brown, Sergeant Charles White, and Police Officer John Boyle immediately responded to the scene and began canvassing the area for the suspect.

Members of the community, who had witnessed the suspect fleeing from the offense, communicated their observations to the police. This ultimately resulted in locating Mr. Barfield, crouched and hiding behind a parked automobile. Sergeant Brown, Sergeant White and Officer Boyle approached and challenged Mr. Barfield, who was still holding his firearm in hand. Mr. Barfield subsequently threw his gun to the ground and submitted to arrest without incident.

After being interrogated, Mr. Barfield ultimately provided a full confession to his planning and involvement in the offense. In addition to this offense, Mr. Barfield is suspected in a series of several other Aggravated Robberies that are still being investigated.

Sergeant Mikle Brown, Sergeant Charles White, and Police Officer John Boyle are deserving of this commendation for their professionalism and teamwork resulting in the arrest of Edward Barfield for Aggravated Robbery and recovery of the firearm used in the offense. The neighborhoods of Cincinnati are a safer place to live because of your courage and dedication to duty.

6. INVESTIGATIONS BUREAU COMMANDER'S COMMENDATIONS

**POLICE OFFICER BRETT STRATMANN
POLICE OFFICER MARK BODE
Narcotics and Vice Section**

On March 07, 2012, while assigned to Narcotics and Vice Section, Major Violators Squad, Police Officer Brett Stratmann and Police Officer Mark Bode assisted homicide investigators with the investigation of a homicide suspect, Neron Coston, Jr.

Using a confidential informant for the purpose of locating and purchasing heroin from Mr. Coston and his associate, Lionell Rogers, Officer Stratmann, Officer Bode, and other officers, were able to arrest Neron Coston, Jr., charging him with Trafficking in Heroin and Obstructing Official Business; and to arrest Lionell Rogers, who was charged in the murder of Michael Callahan. The apprehension and subsequent interviews led homicide investigators to obtain Mr. Coston's consent to search his residence at 1218 Lincoln Avenue. During the search, a .22 caliber Smith & Wesson handgun and a .38 caliber Rossi revolver were recovered.

Please accept my personal thanks and commendations for your professionalism and dedication to duty. Police Officer Brett Stratmann and Police Officer Mark Bode's investigation, operational planning and apprehension of the above violent felons made the streets safer for the citizens of Cincinnati.

**POLICE OFFICER ADRIENNE BROWN
POLICE OFFICER DAVID DOZIER
Narcotics and Vice Section**

In early March, 2011, Police Officer Adrienne Brown and Police Officer David Dozier opened an investigation on Mr. John Brown and his criminal associates. John Brown was identified as one of the primary targets in a Cincinnati Initiative to Reduce Violence (CIRV) Project in Over-the-Rhine. He was believed to be responsible for drug trafficking, numerous robberies and shootings, and possibly even recent homicides. Officer Brown and Officer Dozier were able to identify an apartment Mr. Brown was operating on Hamer Street, and coordinated their efforts with other units. On April 20, 2011, Officer Brown and Officer Dozier received a call from Vortex Officers relaying there had been a shooting on Hamer Street and John Brown was detained.

From information received as a result of the Vortex Officer's investigation, Officer Brown and Officer Dozier were able to obtain a search warrant for 1654 Hamer Street, #1. Evidence collected from the search warrant included a handgun from which John Brown was charged for Weapons Under Disability. Due to John Brown's violent activities, the state parole authority was contacted in order to have Mr. Brown violated and placed into custody.

Officer Brown and Officer Dozier thoroughly documented the investigation that led to John Brown's indictment. The case was very circumstantial, and thus the prosecutor heavily relied on Officer Brown and Officer Dozier's attention to detail and documentation. The case went to a jury trial and after two weeks, a guilty verdict was returned. John Brown now faces a multiple-year sentence.

The activities of John Brown and his co-conspirators were generating much of the violence in Over-the-Rhine; to the point the police department concentrated its efforts by initiating a CIRV Project. The exemplary work described above led to the apprehension and successful prosecution of the primary focus of the project. The expertise and work ethic of Police Officer Adrienne Brown and Police Officer David Dozier was largely responsible for this positive outcome.

Please accept my personal thanks and commendation for the commitment and dedication to duty displayed during the course of this investigation and prosecution. Although you both have had many other successful investigations, the one described above will certainly have a positive impact District One and Over-the-Rhine.

12.420 REPORTING VEHICLE THEFTS AND RELATED OFFENSES

Reference:

Procedure 12.270 - Impounding, Moving, and Release of Vehicles
Procedure 12.400 - Offense Reporting, Miscellaneous Reporting
National Motor Vehicle Titling Information System (NMVTIS)

Definition:

For report processing and computer entry purposes only, a vehicle is any motor driven conveyance designed to carry its operator. In addition to ordinary motor vehicles, this definition includes most motorized construction and farm equipment (backhoes, harvesters, etc.) and the following:

Aircraft
All-terrain vehicles
Automobiles
Bulldozers
Buses
Campers with wheels
Cranes (motorized and self-propelled)
Golf carts (motorized)
House vehicles with wheels
Minibikes/Mopeds (bearing serial numbers)
Motor scooters (w/o pedals for human power)
Motorcycles
Motorized boats (bearing serial numbers)
Riding lawn mowers (bearing serial numbers)
Snowmobiles
Trailers
Trucks

Report any motor driven conveyance not listed, or that does not have a serial number, on a Form 301, Incident Report.

Purpose:

To ensure proper reporting and processing of all vehicle theft/attempt theft, license plate(s) theft/attempt theft, misplaced vehicle, and lost license plate(s) reports.

Policy:

Officers will provide the community with courteous police service and prompt investigation. Officers will thoroughly complete all reports, documenting all facts and actions that occur during an incident. Officers will submit all reports prior to the completion of their shift and submit serious offense reports immediately.

Information:

The National Motor Vehicle Titling Information System (NMVTIS) is a disclosure and information system that links states together to prevent the titling of stolen motor vehicles and to disclose any brands associated with a particular motor vehicle. When a customer enters a county title office with documents to apply for an Ohio title, the vehicle identification number (VIN) is automatically checked against the active National Crime Information Center (NCIC) theft file. If the VIN sends back an active theft hit the title office will not be able to issue a title to the customer. The county title office will contact the Ohio Bureau of Motor Vehicles (BMV) Title Section and the VIN will be queried through LEADS and the results will be given to the title clerk. The county title clerk will inform the customer that there is a "NMVTIS ADMINISTRATIVE HOLD" on the records and they should contact their local law enforcement agency as a follow up. The customer will also be told that they will have to take the paper work to the law enforcement agency.

Procedure:**A. Initial Investigation**

1. Department personnel receiving a report of a vehicle or license plate(s) theft will first attempt to determine the time and place of occurrence.
2. Emergency Communications Center (ECC) will broadcast an "unconfirmed" vehicle or license plate(s) theft if:
 - a. The officer believes the theft just occurred, or the suspect or vehicle might still be in the vicinity and:
 - b. The officer has the necessary preliminary information (license plate number, type of vehicle, etc.).
3. The reporting officer will switch to Talk Group 16 and give the ECC Teletype Desk the license plate information, type of vehicle, and VIN.
 - a. ECC will check the repossessed car file and tow sheet and inform the reporting officer of pertinent information. Cancel the broadcast immediately if it is not a stolen vehicle.
4. The officer will confirm vehicle/license plate(s) theft by determining ownership:
 - a. Request to see the vehicle title, vehicle registration, or both.
 - b. If the complainant cannot prove ownership by producing the above document(s), the reporting officer will:
 - 1) Initiate a search of the LEADS Vehicle/License Plate Registration File by Query Registration (QR).

- 2) Contact the appropriate local deputy registrar for recent vehicle registrations. New registrations may not be in the LEADS Vehicle Registration File. Phone numbers for registrars are in the telephone directory yellow pages under "License Service".
 - 3) Ask the Teletype Desk to have the CIN1 operator send a message to the BMV in Columbus, Ohio, for a manual search. Do this if the reporting person gives a license plate number, but cannot verify ownership.
 - 4) Have the owner contact their insurance company for VIN and license plate information. Verify information by checking the LEADS files.
5. If successful in confirming ownership, notify ECC, which will broadcast and make the computer entry.
 6. If the reporting officer cannot confirm ownership of the reported vehicle/license plate(s) after following the steps listed above, make an "Unconfirmed Vehicle/License Plate(s) Theft" on a Form 303, Motor Vehicle Incident Report, and inform the reporting person.
 - a. ECC will teletype and broadcast the report and carry it in an active status for 72 hours. Do not enter the theft information into computer files.
 - b. The reporting officer will advise the complainant to exhaust all efforts to locate a document (title, registration, VIN, or license plate information) to prove ownership. Instruct the complainant to contact the police immediately when they locate proof of ownership.
 - c. The reporting officer will forward all copies of the Form 303 to the collator of the district carrying the report. The collator will handle proper assignment and make reports available for roll call dissemination.
 - 1) District collators will not assign offense numbers to "Unconfirmed Vehicle/License Plate(s) Theft" reports.
 - d. It is the responsibility of the investigative supervisor of the district carrying the report to have an investigator contact the complainant. The investigator's follow-up investigation will determine the status of the report.
 - e. At the end of the 72-hour period, ECC will cancel the report and teletype unless instructions are received from the investigating district to upgrade the report and teletype message to a "Stolen Vehicle/License Plate(s)" report.

7. Report attempts to commit a violation of any ORC statute that requires a Form 303 as follows:
 - a. Enter the word "Attempt" before the offense title, except in cases of Aggravated Robbery and Robbery.
 - b. Use the same ORC section number as if it were an actual, completed offense.
 - c. For reporting purposes only, never use the ORC Attempt Section 2923.02 on a Form 303.

B. Vehicles

1. Reporting vehicle theft/attempt theft
 - a. Prepare a Form 303. After review by a supervisor, forward it to the district where the offense occurred.
 - 1) Title the offense "Vehicle Theft", ORC Section 2913.02V.
 - 2) Make corrections or additions to any Form 303 on a subsequent Form 303.
 - b. Form 301PS, Property Supplement
 - 1) All property that is readily identifiable with a serial or owner applied number will be reported on a Form 301PS.
 - 2) Use a Form 301PS when the combined value is more than \$500.00.
 - 3) Use a Form 301PS when corrections or additions are needed concerning property listed on a previously completed Form 301PS.
 - 4) Handle property contained in, but not part of, a stolen vehicle as follows:
 - a) The spare tire, jack, lug wrench, etc., are considered parts of the vehicle and do not require a Form 301PS.
 - 1] List these items and other unidentifiable property in the "Narrative" section of the Form 303.
 - c. List in detail any damage to the vehicle or missing vehicle parts in the "Narrative" section of the Form 303.

- d. Vehicle Value
 - 1) The district collator will determine the vehicle value and list it on the Form 303.
 - a) Use the Internet at the following sites: the Kelly Blue Book home page at www.kbb.com or the National Auto Dealers Association guidebook home page at www.nadaguides.com to determine vehicle value.
 - e. Vehicles stolen as part of robbery, burglary or breaking and entering type offenses:
 - 1) Complete a Form 303.
 - 2) The offense title on the Form 303 is the robbery, burglary or breaking and entering type offense preceded by the word "vehicle". Examples are "Vehicle Aggravated Robbery", "Vehicle Aggravated Burglary", "Vehicle Breaking and Entering", etc.
 - a) The ORC section number for the Form 303 will be the ORC defined offense (i.e., "Vehicle Aggravated Robbery" 2911.02V, "Vehicle Aggravated Burglary" 2911.11V, "Vehicle Breaking and Entering" 2911.13V).
 - 3) The Form 303, completed in these instances, will list all offenses occurring in the incident.
2. Recovery
- a. Query vehicles through RCIC to obtain stolen vehicle information.
 - b. Identify the agency that originally reported the vehicle as stolen.
 - 1) For out-of-town recoveries, request CIN1 issue a "Hit Request Confirmation" with the originating agency prior to requesting a Signal 38.
 - 2) All initial contact with the originating agencies (ORI) must go through the CIN1 operator. Bypassing the CIN1 operator and contacting the ORI directly causes confusion in entered vehicle status.
 - c. Stolen vehicle recoveries not released to the owner at the scene of the recovery will be impounded. Impounded vehicle recoveries require a Form 369, Towing Report.
 - 1) The yellow copy of Form 369 will be given to the dispatched private wrecker operator.

- 2) Fax the Form 369 to the Impound Unit as soon as possible. The original white copy of the Form 369 will be mailed to the Impound Unit using interdepartmental mail.
 - 3) The pink copy of the Form 369 will be retained at the district.
 - a) Forward a copy of the Form 369 to Records Section.
 - 4) Note on the Form 369 if the owner was notified of the recovery.
- d. Prepare a Form 303 and telephone the information to ECC Teletype Desk at 263-8125.
- 1) The report title will be "Vehicle Recovery". If the theft occurred in another jurisdiction, title the report "OT Vehicle Recovery".
 - a) If vehicle parts or contents are missing, title the report "Partial Vehicle Recovery" or "Partial OT Vehicle Recovery".
 - b) Use 2913.02VR on the Form 303.
 - 2) Enter the following information in the "Narrative" section of the Form 303:
 - a) List and identify the property recovered in the vehicle and indicate the disposition of such property.
 - b) List any damage to the vehicle.
 - c) List any stripped or missing vehicle parts at the time of recovery. The district collator will determine the value of the articles.
 - 3) When calling the ECC Teletype Desk to report vehicle recovery information, include the following:
 - a) Name of person/officer who notified the owner.
 - b) Time and date of the notification.
 - 4) When not able to make notification, indicate this in the "Narrative" section of the Form 303. List the date and the time you requested notification, the police agency or district, and the name of the officer contacted.
- e. Notifying the owner of recovered stolen vehicle or license plate(s).

- 1) When recovering a vehicle or license plate(s) stolen in Cincinnati, it is the responsibility of the recovering officer to notify the owner or initiate the notification process. Make the notification in one of the following ways:
 - a) By telephone. The officer may contact the police agency where the owner lives for assistance if necessary.
 - b) By personal visit, if the owner lives or works in the recovering district.
 - c) If the owner lives or works in another district, the recovering district will notify the residence or employing district to make the notification.
 - 1] If there is no immediate contact with the owner, the district involved will make a blotter entry to ensure follow-up.
- 2) Upon receipt of a teletype regarding an out-of-town recovery, district desk personnel will promptly notify the auto theft investigator or Investigative Unit supervisor. If the recovery is made after normal working hours the desk officer will put the recovery information in the blotter.
 - a) The auto theft investigator or Investigative Unit supervisor will ensure the owner is notified in a timely manner (no longer than 48 hours).
 - b) Investigative Unit supervisors will ensure the teletype board and blotter are reviewed on a daily basis to verify that all notifications are complete. This review will generally be conducted by the auto theft investigator. If the auto theft investigator is unable, another investigator will conduct this review.
- 3) If the owner does not live in Cincinnati or within the local telephone rate area, the officer will request the CIN1 operator send a teletype message to the proper police agency requesting them to notify the owner. The CIN1 operator will request notification confirmation (via return teletype message) from the agency.
 - a) The CIN1 operator will immediately make a computer entry "Located Vehicle" (LV) into the LEADS and NCIC Wanted Vehicle File.
 - b) Officers will not bypass ECC and make initial contact with the ORI themselves. This causes confusion in entered vehicle status. ECC will make any required initial notification of other agencies.

- c) The investigative supervisor from the district of the theft will ensure the owner of the vehicle is notified, whether the vehicle is recovered out-of-town or within Cincinnati.
- 4) If the vehicle is not drivable at the time of recovery:
 - a) Inform the owner the vehicle is not drivable. This allows the owner to obtain the services of a private wrecker.
 - 1) Provide the above information to the ECC Teletype Desk for inclusion in out-of-town police agency notifies, if applicable.
- f. It is the duty of an officer from the recovering district to safeguard the vehicle and all property inside until the vehicle is either released to the owner or impounded.
- g. Try to release the vehicle to the owner at the scene if not needed for other reasons and if it can be done within a reasonable time.
 - 1) If the owner or agent is unable to be contacted, or refuses to claim the vehicle at the scene, the vehicle will be towed, through a Signal 38 request, to a designated private storage facility for storage and recovery by the owner or agent.
 - a) Investigations concerning recoveries will be done at the private storage facilities within 24 hours of the recovery.
 - b) Auto recoveries will no longer be accepted at the Impound Unit or taken to police districts for investigation.
 - 2) Indicate in the "Narrative" section of the Form 303 whether the recovered vehicle was released to the owner or agent at the scene, or towed.
- h. Routing of the Form 303 on Vehicle Theft/Attempt Theft, Vehicle Defrauding a Livery or Hostelry, Vehicle Recovery, License Plate(s) Theft, and License Plate(s) Recovery.
 - 1) Original to Records Unit (following coding and computer entry).
 - 2) Copy for district files.
 - 3) Copy for district investigative unit.
 - 4) Copy to the district where the theft occurred if a recovery.

3. National Motor Vehicle Titling Information System hits
 - a. When a vehicle owner responds to a district at the direction of the BMV, the desk officer will request an officer respond to the district to conduct the investigation.
 - b. The investigating officer will query the vehicle to determine the status.
 - c. If the query indicates the vehicle is stolen, the officer will not allow the owner to leave with the vehicle.
 - 1) The officer will do a hit confirmation.
 - 2) The officer will make an attempt to contact an auto theft investigator to verify the status of the vehicle. If the vehicle is an out-of-town theft, the officer will treat it as any other out-of-town vehicle theft recovery.
 - a) If no auto theft investigator is available, the officer will conduct a preliminary investigation and tow the vehicle to the Impound Unit for follow up.
 - 3) If the query indicates there is no active theft entry, the officer will obtain the owner's name and contact information and allow the owner to leave with the vehicle.
 - a) The officer will make a blotter entry for the auto theft investigator to contact the vehicle owner. The auto theft investigator will follow up with the BMV to determine the status of the vehicle or to assist in clearing the record from the BMV files.

4. Reporting Found License Plate(s)
- a. Complete a Form 303 for each instance of found license plate(s). The reporting officer will attempt to determine the owner's name and address and will include this information on the form.
 - b. After identifying the owner, the reporting officer will attempt to notify the owner by telephone. Instruct owners to pick up the plate(s) at the district before 0700 hours the next workday.

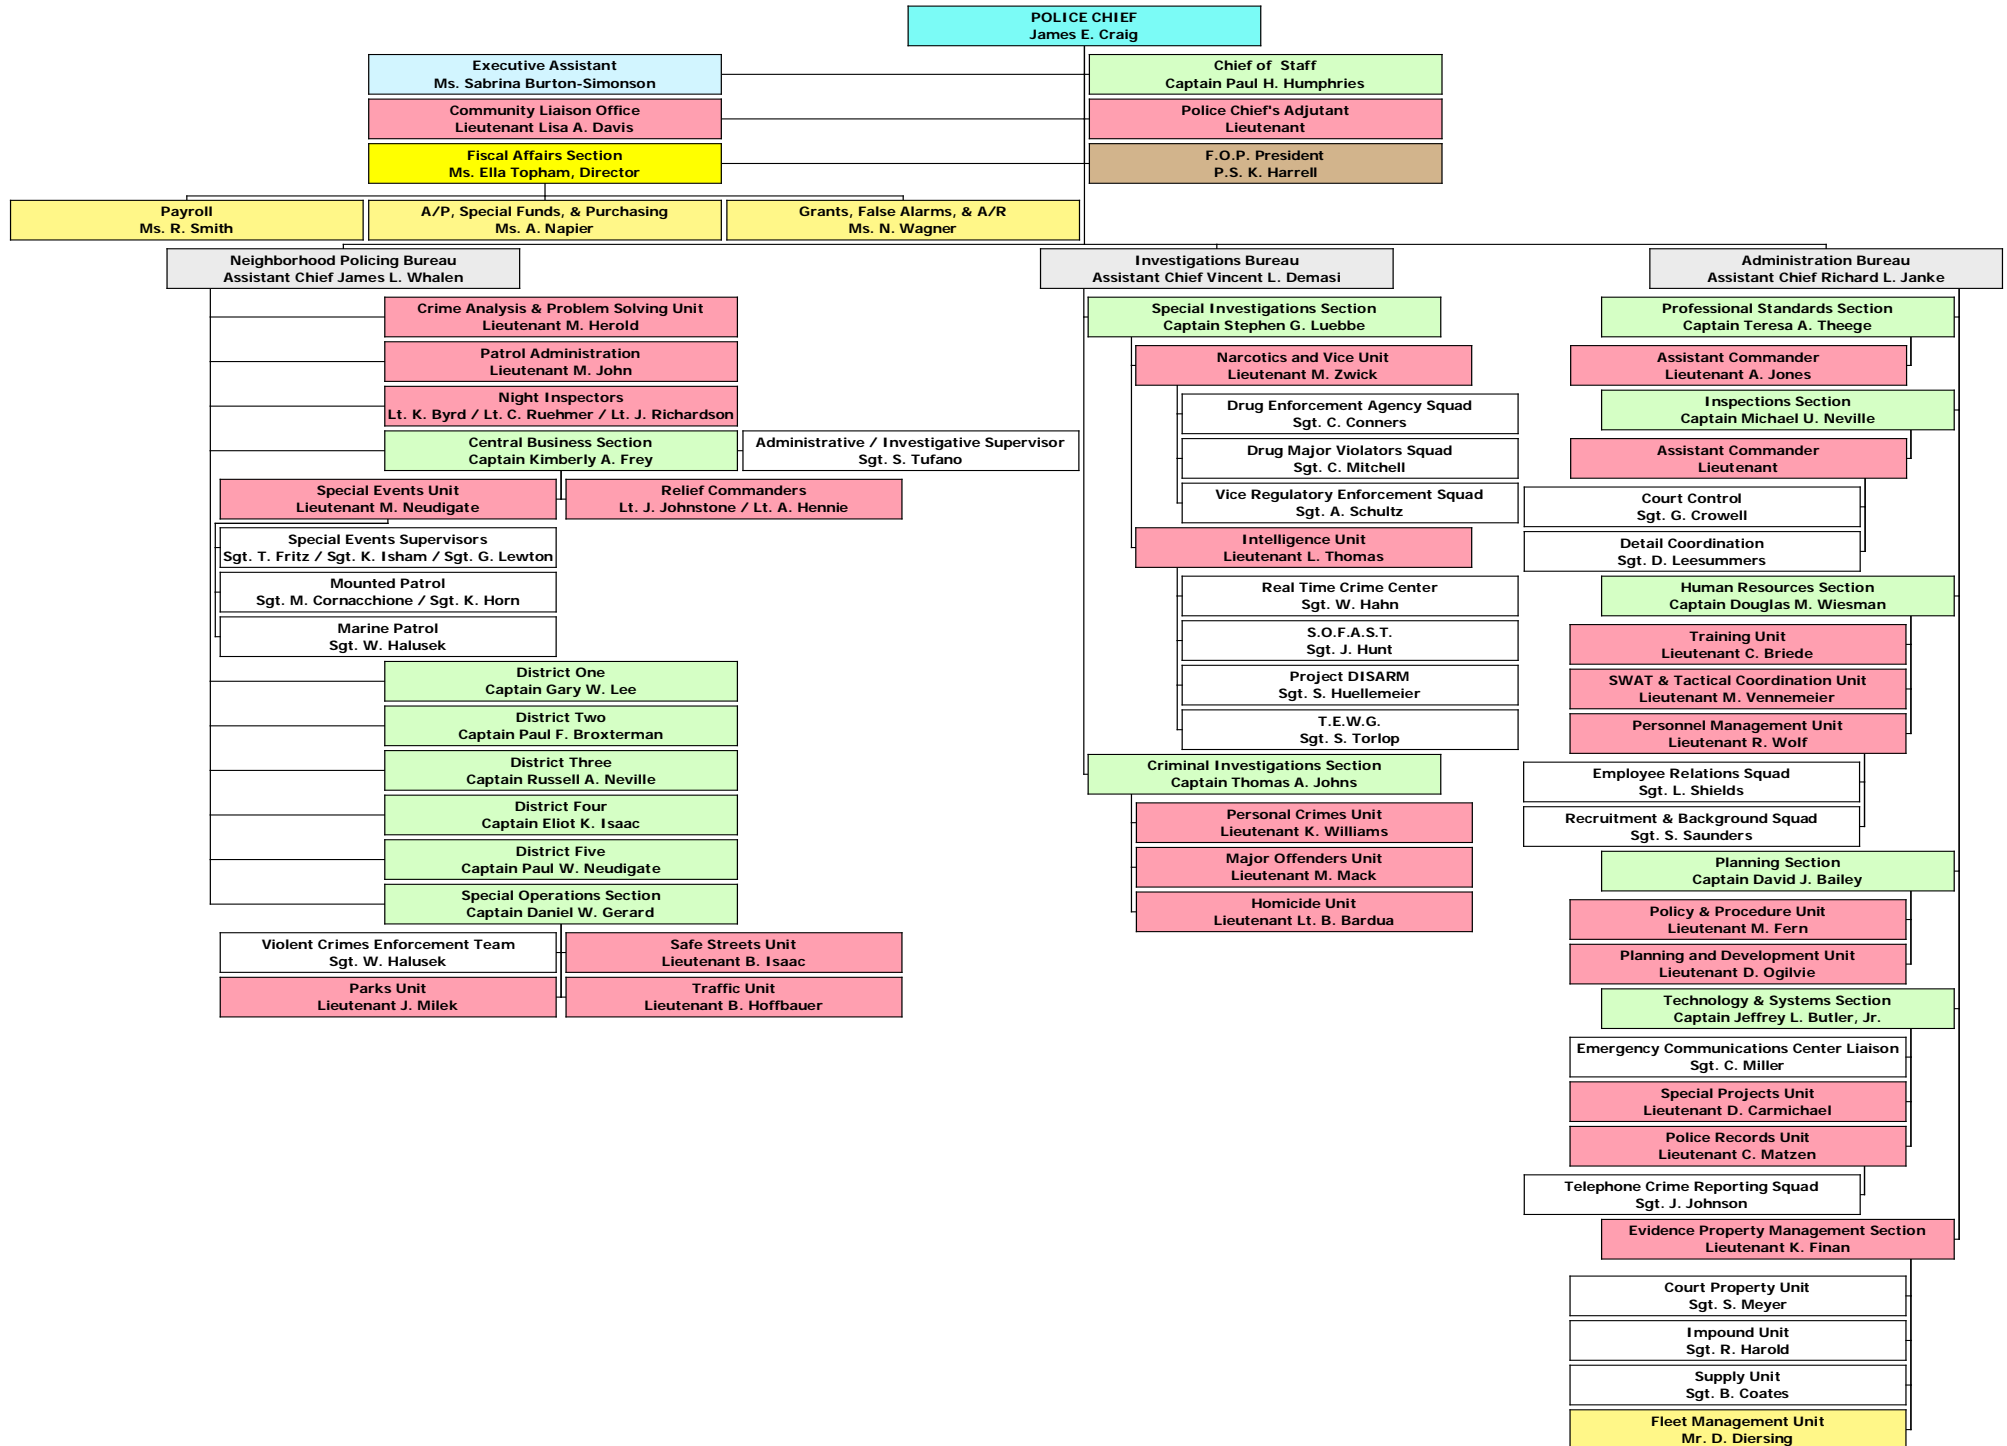

- 1) If the owner cannot pick up the plate(s) within that period, instruct the owner to retrieve the plate(s) from the Court Property Unit.
- c. Enter the name of the person notified and the time of notification on the Form 303.
- d. If the officer cannot determine the name of the owner after exhausting all investigative means, forward the plate(s) to the Court Property Unit. Attach a copy of the Form 303 explaining the methods used to determine owner identification.

G. Closure of Vehicle/License Plate(s) Theft Offenses

1. Cancel the computer entry when cases of vehicle and license plate thefts are cleared "Victim Refused to Cooperate" because the complainant will not prosecute the suspect, and the vehicle is not recovered.
 - a. The investigator assigned to the case will, with the approval of a supervisor, contact ECC Teletype Desk to request immediate cancellation of the computer entry.
2. Close cases as a "partial recovery" unless recovery includes the vehicle, both license plates (if two are issued), all parts of the vehicle, and all property listed on the Form 303.

City of Cincinnati

Police Chief James Craig,

Chief Craig, I am writing to express my sincere appreciation for the excellent service I received as a result of needing Police assistance after my dog and I were attacked by two pit bulls on Tuesday March 20, 2012. I was walking my Jack Russel only one block from my home when we were attacked by two pit bulls that got away from their owner. The attack took merely seconds with my dog receiving injuries to his nose. Police response was almost immediate. P.O. Sterbling and P.O. Snape were the responding officers. P.O. Sterbling gained control of the situation immediately and both officers worked quickly and efficiently to take control of a potentially volatile situation and reach a resolution in a timely manner. Their quick and professional actions allowed me time to obtain emergency medical service for my dog.

As fallout of the attack, and the pit bulls being sent to the pound, a third party person stalked me and harassed me the next day. I again called for Police assistance and responding Officers Davis and Broomes were on site in a very timely manner. The offender was gone, but the officers were very helpful in providing my wife and me with information to obtain a restraining order on the offender.

All officers are from District III. I know that their jobs are difficult and rarely do they receive thanks and acknowledgement for a job well done. My wife and I would like to express our extreme satisfaction in the work performed by all the officers involved. P.O. Sterbling has been very helpful in providing us with needed information and keeping us up to date on action in this matter.

Please place a letter of commendation in each of their personnel jackets.

Can't thank you all enough! Job extremely well done!
